## An Introduction

The Adventist College of Nursing (ACON) was established in 1993. In January 2011, it became known as Adventist College of Nursing and Health Sciences (ACNHS) and offers a 3-year Diploma in Nursing.

The College has been committed to educating knowledgeable, competent, and compassionate nursing professionals. All the alumni are employed in a variety of healthcare settings throughout the country as well as abroad. With a long-standing tradition of providing quality healthcare education, we are known as one of the best nursing colleges in the country.

## Teaching Faculty

The College offers a line-up of full-time and experienced tutors and instructors. Besides being qualified in their areas of speciality, they are dedicated towards providing quality education. Our tutors and instructors are well-trained in areas such as Community Health, Obstetrics, Neonatal, Intensive Care and Cardiothoracic Nursing. All members in the Teaching Faculty hold at least a Bachelor in Science Degrees or a Masters Degree.
