

## Our Vision

As a Seventh-day Adventist institution of higher education, the Adventist College of Nursing and Health Sciences is committed to offering excellence and "wholistic" health education to a diverse student population. The College aspires to produce nursing graduates who will become servant leaders who embrace the mission of the institution and are guided by faith, integrity, and are committed to living balanced lives.

The College has been committed to educating knowledgeable, competent, and compassionate nursing professionals. All the alumni are employed in a variety of healthcare settings throughout the country as well as abroad. With the educational programmes, a long-standing tradition of providing quality healthcare education continues.

## Educational Advancement

From the Diploma in Nursing, you can continue your nursing education specialising in areas such as Intensive Care, Cardiothoracic, Operating Room, Midwifery, Renal, Paediatric Nursing and many more.

You may also choose to obtain a Bachelor or Masters Degree, and even a Doctorate in Nursing, or other related field.

Your letter of application must be in your own hand-writing with your address and contact number, and must reach the following address:

## An Introduction

The Adventist College of Nursing (ACON) was established in 1993. In January 2011, it became known as Adventist College of Nursing and Health Sciences (ACNHS) and now offers a 3-year Diploma in Nursing.

The College has been committed to educating knowledgeable, competent, and compassionate nursing professionals. All the alumni are employed in a variety of healthcare settings throughout the country as well as abroad. With the educational programmes, a long-standing tradition of providing quality healthcare education continues.

## Teaching Faculty

The College offers a line-up of full-time and experienced tutors and instructors. Besides being qualified in their areas of speciality, they are dedicated towards providing excellent quality education. Our tutors and instructors are well-trained in areas such as Community Health, Obstetrics, Neonatal, Intensive Care and Cardiothoracic Nursing. All members in the Teaching Faculty hold at least a Bachelor in Science Degrees, Masters Degrees, or a Doctorate Degree.

## Entry Requirements

### Diploma:

Minimum 5 credits in SPM Certificate including:

- Bahasa Malaysia,
- Mathematics (Elementary or Additional or Modern)
- Either one (1) of the credits below:
  - General Science
  - Biology
  - Chemistry and Pass in Biology
  - Physics and Pass in Biology
- Pass in English

STPM Certificate holders are encouraged to apply.

## Programmes

The 3-year Diploma in Nursing Programme is fully accredited by the Board of Nursing Malaysia and MQA (Malaysian Qualification Agency), and approved by the Ministry of Education. Students are taught a wide range of subjects in Basic Sciences, Nursing Sciences and Behavioural Sciences.

## Hospital Sponsored Students

Applicants with excellent academic results are selected to be sponsored by the Penang Adventist Hospital or other institution. Upon completion of the course, graduates are bonded to the Hospital or other institution. Sponsorship covers the following benefits:

- Free tuition
- Monthly stipend
- Subsidised board and lodging
- Medical benefits according to College policy
- Nursing uniform
- Transportation for field experiences
- American Heart Association Heart Saver CPR and/or Basic Life Support Certification
- Employment is available upon completion of study programme

## Self-Sponsored Students

Self-sponsored students are also accepted into our College. Fees include:

- Registration fee
- Tuition fee
- Clinical uniform
- Transportation for field experiences
- Dormitory accommodations
- American Heart Association Heart Saver CPR and/or Basic Life Support Certification
